

LEADERSHIP: UNLOCK YOUR BARRIERS!

WHAT BARRIERS ARE HOLDING YOU BACK FROM BEING A GREAT LEADER?

Do you wish you could get that next **big promotion**? Or get the “break” to **make it big**?

Or why some people seem to be a **natural born leader**?

Do you ever think that there is some **special “secret”** that the top sales people know that propel them to always be in the top 2% regardless of where they work or what they sell?

Leadership is not limited to a few lucky people, or appointed by a certain position or a title. We all have the capability to be a successful transformational leaders in every area of our life; work, family, community, or school.

Spend an evening with us and hear from Dr. Bob Wright, Co-Founder of Wright and the Wright Graduate University, share how you can gain the ability and take steps in overcoming and conquering the barriers that stand in the way of your total leadership success!

Dr. Bob Wright (www.drbobwright.com) is an internationally recognized and cutting-edge author, speaker, program developer, CEO coach, and highly successful entrepreneur. Considered by many to be one of the leading thinkers in human development, Bob's revolutionary model of human growth and development provides a much-needed

practical application of theory into everyday life, helping hundreds of thousands to understand themselves, strategize, and take action to reach their potential. Recognized as a top executive coach by Crain's Chicago Business, Dr. Wright specializes in helping corporate leaders and entrepreneurs across the country build, grow, and thrive in businesses with purpose, mission, and robust, high-performing cultures. He is a co-founder of Wright and the Wright Graduate University.
